Work experience

Web/UX/UI designer

jul 2021 - now

Sens Online Solutions | Google Premiere Agency, Almere, Flevoland, Nederland

By working on diverse projects and clients, ranging from smaller to bigger companies in both the B2C and B2B sector, I am able to build experience working for multiple target groups. My research and work around these projects allow me to come up with custom made designs that are appealing and user friendly for every visitor.

Assistant branch manager

feb 2019 - feb 2020

Wibra, Alphen a/d Rijn, South Holland, Netherlands

Working at Wibra allowed me to learn the language and to faster integrate in the dutch culture. Additionally, I was able to improve my communication, time management and administrative skills.
